

## Health Research BC REDCap – Analyzing your data after REDCap

Finished collecting your data in REDCap? See the resources below that are available to help analyze your data (\*not exhaustive).

Available free at the following institutions

	UBC			SFU			UVic		
	Faculty	Students	Staff	Faculty	Students	Staff	Faculty	Students	Staff
<b>SPSS</b>	✓	✓	✓	✓		✓	✓		✓
<b>SAS</b>	✓	✓	✓	✓	✓	✓	✓	✓	✓
<b>STATA</b>									
<b>MATLAB</b>	✓	✓	✓	✓	✓		✓	✓	✓
<b>MAPLE</b>	✓	✓					✓		✓
<b>TABLEAU</b>	✓	✓			✓			✓	

- UBC: <https://it.ubc.ca/services/desktop-print-services/software-licensing/list-software-available>
  - SPSS (on UBC-owned computers)
  - SAS (free for UBC staff, faculty, and students)
  - Matlab (free for UBC faculty, staff, researchers)
  - Maple (on UBC- and faculty-owned computers)
  - Tableau (free for students and instructors)
- SFU: <https://www.sfu.ca/itservices/technical/software.html>
  - SPSS (free for SFU staff and faculty)
  - SAS (free for SFU staff, faculty and students)
  - Matlab (free for SFU faculty, students, researchers)
  - Stata (available, not free)
- UVic: <https://www.uvic.ca/systems/support/computerssoftware/softwaredistribution/spss.php>
  - SPSS (free for faculty and staff on UVic-owned computers)
  - SAS (free for faculty, staff and students)
  - Matlab (free for faculty, staff and students)
  - Maple (free for faculty and staff on UVic-owned computers)

If your institution is not listed, search their website or use one of the resources below

- R – free and open software (<https://www.r-project.org/>)
- SPSS – one month free trial (<https://www.ibm.com/analytics/spss-trials>)
- SAS – 14-day free trial ([https://www.sas.com/en\\_th/trials.html](https://www.sas.com/en_th/trials.html))
- MATLAB – one month free trial (<https://www.mathworks.com/campaigns/products/trials.html>)
- Tableau – free for students (<https://www.tableau.com/academic/students>)

While the resources above are available to you, the Health Research BC Data Management team is not associated with them, as such, if you have further questions please contact the institutions directly.

\*If you know of any other resources that might be useful to include here, please email us at [redcap@healthresearchbc.ca](mailto:redcap@healthresearchbc.ca). Thank you.
